Presentations

- **Beyond the News: Genre-Diverse Annotations for Bridging Anaphora in English**
  Oral Presentation at the American Association of Corpus Linguistics (AACL) Conference 2026, University of Florida, Gainesville, Florida, USA.

- **GUMBridge: a New, Genre Diverse Resource for Bridging Anaphora**
  Poster Presentation at the 13th annual Mid-Atlantic Student Colloquium on AI, Language and Learning (MASC-ALL) 2026, Howard University, Washington, D.C., USA.

Teaching

As a Research Mentor at Georgetown University

- Research-based Undergraduate Linguistics Experience (RULE) Fall 2025
  Mentored undergraduate students (2) in linguistic annotation and computational research skills

As a Teaching Assistant at Georgetown University

- Computational Corpus Linguistics — Fall 2025, Fall 2022
  Guest lecture, office hours, grading, course facilitation

- Introduction to Natural Language Processing (taught in Python) — Fall 2024
  Guest lecture, office hours, grading, course facilitation

- Introduction to Language (undergraduate intro to linguistics) — Fall 2023
  Regular lecturing, office hours, grading, creation of course materials

- Intensive First Level Japanese I — Fall 2023
  Drill Instructor: conducted weekly session for oral practice

Academic Service

Georgetown University

- Corpus Resource Coordinator — Spring 2022, Spring 2024
  Managed and added to GU hosted linguistic corpora

- Faculty Search Assistant — Spring 2024
  Facilitated logistics and communication for Computational Linguistics faculty member search

- Event Management Assistant, Georgetown University Round Table (GURT) — Spring 2023
  Coordinated logistics for the GU conference on computation and corpus linguistics.

- Social Chair, Georgetown University Computational Linguistics (GUCL) — Fall 2021
  Coordinated CL community networking and social events

Service to the Field

- North American Computational Linguistics Olympiad (NACLO) Organizer — 2024-2026

- Reviewer, ACL Rolling Review (ARR) — 2025, 2026

- Reviewer, Linguistic Annotation Workshop (LAW) — 2025, 2026

- Reviewer, Student Research Workshop (SRW) 2025, 2026
- ACL Student Volunteer 2023

Professional Experience

The MITRE Corporation, Bedford, MA

- Senior Computational Linguist 4/2020 - Present
  Applied NLP techniques and statistical analysis to the evaluation of identity matching and identity resolution systems for government stakeholders (Part-time from 9/2021)
- Software Engineer 9/2018 - 4/2020
  Delivered software tools for dataset annotation using Agile development practices

Awards and Grants

- Sponsorship for the CASE Workshop 2026
  Competitive sponsorship from Georgetown University to attend the AAAS Workshop on Catalyzing Advocacy in Science and Engineering
- Best Paper Award at CRAC 2024 at EMNLP 2024
  Awarded for "Unifying the Scope of Bridging Anaphora Types in English: Bridging Annotations in ARRAU and GUM"
- GradGov-GSAS Research Project Award Spring 2025
  Competitive Research Grant from Georgetown Graduate School of Arts and Sciences
- Georgetown Linguistics Department Travel Grant & GSAS Conference Travel Grant Award Fall 2025
  Granted for travel to ACL 2025, Vienna, Austria
- Georgetown Linguistics Department Travel Grant Fall 2024
  Granted for travel to EMNLP 2024, Miami, FL, USA
- Georgetown Linguistics Department Travel Grant Fall 2023

Granted for travel to ACL 2023, Toronto, Canada

- Georgetown Linguistics Department Travel Grant Fall 2022
  Granted for travel to LREC 2022, Marseille, France

Corpora

Editor

- GUM: The **G**eorgetown **U**niversity **M**ultilayer Corpus – a multilayer, class-sourced corpus of English Web genres
- GUMBridge: Corpus for varieties of referential bridging anaphora – additional annotation layer for the GUM corpus
- GENTLE: **Gen**re **T**ests for **L**inguistic **E**valuation – a multilayer annotated corpus of unusual English genres

Software

Developer

- GitDox – version controlled online xml editor for multilayer annotation
- MidasLoop – version-controlled online annotation environment for multilayer corpus data which includes confidence metadata for annotations

Membership in Professional Societies

- Association for Computational Linguistics (ACL, since 2022)
- European Language Resources Association (ELRA, since 2022)
- Linguistic Society of America (LSA, since 2024)

Technical Skills

- **Programming Languages:** Python, R, Java, JavaScript, SQL, C++, MATLAB
- **ML/Deep Learning:** PyTorch, TensorFlow, Huggingface, Transformers
- **Data Science:** Statistics, Pandas, NumPy, SciPy, scikit-learn, matplotlib, Seaborn

Languages

Native:	English
Advanced knowledge:	French, Japanese
Ancient languages (basic reading):	Coptic, Middle Egyptian
